“We proudly welcome ARC to the St. Johns County community,” said Joy Andrews, deputy county administrator for St. Johns County. “Economic development is unequivocally identified by the St. Johns County Board of County Commissioners as the highest priority, which was the exact principle our team operated on to collaborate with ARC, JAXUSA Partnership and the St. Johns County Chamber of Commerce. From the inception of this collaboration, we made a commitment with no ambiguity that we will be a resource for the ARC team and that no bureaucracy should stand in the way of our goal to bring such a high-caliber business as ARC to the community along with jobs for our local talent, which is, gratefully, what we are celebrating today.”
